Janet Barnes  
Funding Director  
Dunbar Community Bakery

Dear Janet,

Dunbar Community Council heard the presentation on the topic of the Community Bakery project with great interest and we were impressed by the documents which you provided. These demonstrated that a lot of progress has been made.

We feel that if the project comes to fruition it will add an important dimension to the High Street.

The feeling of the Community Council is that we support the company in this venture.

We will give your documents further study to see if there are other ways in which we can help.

With best wishes
