8 March 2011

Dear Jane

I was pleased to hear about your community-owned bakery project and am happy to write in support of your endeavour. I am sure that it will be able to fill the gap left on the High Street by the closure of Smith's Bakery. I understand that it will provide a new source of employment and training in Dunbar and will strengthen the local community.

I look forward to sampling your produce.

Yours truly,

Paul Winkle  
Station Director  
Torness power station
