Dear Jane
Potential shareholders and Grant funding organisations

It was encouraging to read that the bakery will be open later this year. Roll on the day! I understand that you are keen to hear from potential customers and I write this letter to add the name for Knowes Farm Shop to the list of local businesses keen to buy from the Community Bakery. As you know this business was an early contributor to your establishment fund.

It is unfortunate that sufficient grant funding has taken so long; not for the lack of effort on your behalf or that of your volunteer committee.

I believe that there will be a market locally for your proposed range of bread and bakery items made fresh locally and that it will be supported by the people of Dunbar and surrounding food businesses. We undertake to give you our business as soon as you start baking.

Yours sincerely,

Hilary Cochran
