Dear Jane,

I write to add my support to your work with the Dunbar Community Bakery initiative, having been an ardent supporter of this venture from its early stages.

Since the closure of Smith's Bakery the town has lacked a fresh locally baked supply of bread and other bakery produce. I am in no doubt that local residents and businesses will support the bakery, especially as it aims to trade on artisan quality using the finest ingredients.

Additionally, as my own business is in hospitality, I recognise the difference a regenerated and attractive High Street will have on tourism. The bakery will be a welcome addition to our town centre.

I wish you the best of luck.
